## SUMMARY

---

Passionate, innovative, and quality-driven Front End Developer with expertise in creating quality user interfaces, user experience development, responsive design, web accessibility, and working with teams to build and manage products in several environments.

## EDUCATION

---

### UNIVERSITY OF PORT HARCOURT

Bachelor of Engineering  
Electronics/Computer Engineering

Port Harcourt, Rivers State  
Expected 2024

## SKILLS

---

Programming Languages: **Javascript, Python.**

Others: **HTML, CSS, Bootstrap, Tailwind CSS, Material UI, React JS, NextJS.**

Databases: **MySQL, Supabase.**

Version Control System (VCS): **Git, GitHub.**

## WORK EXPERIENCE

---

### TOTAL ENERGIES EP NIG. LTD.

Software Development Intern

Port Harcourt, Rivers State  
September 2023– February 2024.

- Developed and deployed a web-based quiz application using Next.js and Prisma, enhancing the user experience and functionality of the application.
- Collaborated with cross-functional teams to troubleshoot and resolve technical issues, ensuring seamless operation and integration of software solutions.
- Gained hands-on experience in data management and analysis, contributing to informed decision-making processes and improving overall project outcomes.

### HARVOXX TECH HUB

Front End Development Instructor

Port Harcourt, Rivers State  
July 2022 – September 2022.

- Developed a cutting-edge front-end development curriculum accommodating diverse learners, resulting in increased course enrollment and positive student feedback.
- Employed interactive teaching methods and individualised feedback, leading to a 20% boost in student retention and a 15% rise in overall satisfaction.
- Introduced innovative teaching methods, such as interactive coding challenges and peer programming exercises which enhanced student engagement and comprehension.

### HARVOXX TECH HUB

Front End Development Intern

Port Harcourt, Rivers State  
Jan 2022 – June 2022

- Dedicated the first three months of the internship to immersive learning, acquiring a solid foundation in fundamental front-end programming languages.

- Successfully led the development of a training website for a Project Management boot camp, contributing to its successful execution.
- Demonstrated proficiency by completing over 10 personal projects using essential front-end technologies. Demonstrated proficiency by completing over 10 projects.

## **PROJECTS**

---

### **QUIZMASTER**

Feb 2024

- Designed and developed a quiz app using NextJS and Prisma. This app features user and admin pages used to take tests and add questions to the database respectively.

### **AFM PRIVACY POLICY PAGE**

Mar 2023

- Constructed a simple website as a practical exercise to enhance my proficiency in web development using ReactJS and to refine my skills in crafting responsive and visually appealing user interfaces through the implementation of TailwindCSS.

### **MY PORTFOLIO V2**

Jan 2023 – Feb 2023

- Conceptualized, designed, and developed an upgraded version of my personal portfolio website, showcasing my recent projects, skills, and accomplishments, while paying meticulous attention to user experience and visual design, resulting in an improved online presence.

### **GO SAVE ME**

Oct 2022 – Jan 2023

- Developed a responsive website, enabling secure donations for hospital patients' medical expenses, enhancing healthcare access, and fostering patient support.

### **TECHYOUNITY**

Oct 2022

- Spearheaded the development of a dynamic and interactive website for a tech-focused community, harnessing the power of ReactJS to create a platform that facilitates knowledge sharing, collaboration, and engagement among tech enthusiasts, while maintaining a modern and user-friendly design.

### **CUTRATE**

May 2022 – June 2022

- Played a pivotal role in crafting the user interface for cutrate.ng, a hotel booking website, by skillfully integrating design principles with coding, ensuring a visually compelling, user-centric, and seamless booking experience, ultimately contributing to the platform's overall success.

## **CERTIFICATIONS**

---

- |  |           |
|--|-----------|
| ● Huawei Certified ICT Associate             | Aug 2020  |
| ● Jobberman Soft Skills Training Certificate | June 2020 |
| ● Introduction to Web Development [Coursera] | May 2020  |

## **SOFT SKILLS**

---

Jobberman Certified Soft Skills: **Effective Communication, Teamwork, Problem Solving, Critical Thinking, Time Management, Emotional Intelligence.**
